

Vodacom now offers Broadband Standard and Broadband Advanced, enabling you to choose the bundle option that is right for you, depending on your specific requirements.

Vodacom also allows data bundle carry over for up to a maximum of 60 days for all customers irrespective of the data bundle (Standard or Advanced) chosen.

Broadband Standard

All Vodacom's existing Internet rates, now standard with HSDPA 3.6 as well as HSUPA (device dependent).

- Choose from a wide range of Contract, Once-off and Month-to-Month Data Bundles.
- All new and existing customers who use an HSDPA 3.6 access device will now have free HSDPA 3.6 with HSUPA*. Customers will no longer have to activate the HSDPA 3.6 with HSUPA option – they will be automatically provisioned for it.
- Existing customers may switch to the Broadband Advanced option, which offers HSDPA 7.2 with HSUPA (refer to question 3 in the FAQ section).
- Unused Data Bundles now carry-over for up to a maximum of 60 days.
- To benefit from Broadband access speeds, an HSDPA 3.6 capable device is required.

Broadband Advanced

Choose one of the bundles below to get access to the freedom of equal in-bundle and out-of-bundle rates - a first only from Vodacom. Included are HSDPA 7.2 with HSUPA for free - the fastest speeds on the Vodacom network! As well as unused data bundle carry over for up to a maximum of 60 days.

- Choose from a wide range of Contract, Once-off or Month-to-Month Data Bundles.
- Features the same price for out-of-bundle and in-bundle data rates. For example the MY MEG 500 out-of-bundle rate was previously R1.20 per MB, now it is the same as the in-bundle rate of only R0.56 per MB!
- Broadband Advanced offers, when customers use an HSDPA 7.2 capable device, free HSDPA 7.2 with HSUPA*.
- Unused Data Bundle carry-over for up to a maximum of 60 days.
- To benefit from Broadband access speeds an HSDPA 7.2 capable access device is required.

* Data device and network capability coverage dependant.
